Frontend

- Angular
- TypeScript
- JavaScript
- HTML5
- CSS3
- Bootstrap

ABOUT ME

Junior Software Engineer with hands-on experience in Java, Spring Boot, Angular, REST APIs, PostgreSQL, and Oracle. Experienced in developing real-world full-stack applications, building RESTful APIs, integrating databases, debugging issues, and working with modern software development practices. Passionate about writing clean, maintainable code and continuously improving technical skills.

EXPERIENCE

Junior Software Engineer | Addie Soft Ltd

Mar 2025- Present

- Develop and maintain full-stack web applications using Java, Spring Boot, Angular, TypeScript, and PostgreSQL.
- Develop and integrate RESTful APIs for enterprise applications.
- Work with JDBC, PostgreSQL, and Oracle for database operations.
- Debug and resolve backend and frontend issues.
- Follow clean coding practices, version control, and agile development methodologies.

Junior Software Engineer (Intern) | Addie Soft Ltd

Sep 2024- Feb 2025

- Worked with Java, Spring Boot, Angular, and JDBC in real-world software development projects.
- Assisted in developing and integrating RESTful APIs.
- Worked with PostgreSQL for database operations and data management.
- Assisted in debugging and resolving application issues.
- Collaborated with the development team on software development tasks.

Software Development Java (Intern) | Daffodil

International Professional Training Institute

Jun 2024-Sep 2024

- Designed and developed desktop applications using Java Swing and NetBeans.
- Implemented CRUD operations including Create, Read, Update, and Delete functionality.
- Integrated applications with MySQL databases for data management.
- Developed user-friendly interfaces and implemented application functionality.

Frontend Developer (Intern) | Tizai Technologies AB

Sep 2023-Nov 2023

- Developed and styled interactive web pages using HTML, CSS, and JavaScript.
- Implemented dynamic features such as form validation and interactive UI components.
- Focused on creating responsive and user-friendly web interfaces.

Database

- PostgreSQL
- Oracle
- MySQL

Tools & Practices

- Git / GitHub
- Agile
- Debugging
- API Integration

LANGUAGE

English

Bangali

PERSONAL INFORMATION

Name : Tawfiq Hussein Farid

Father's Name : Kawsar Hussein

Mother's Name : Ferdusi Kawsar

Date of Birth : 01-11-2004

Nationality : Bangladeshi

Permanent Address : Village: Gowreshar,
P.O:Dhadda, P.S:Hajigonj, District: Chandpur.

Present Address : Ho-2/1, Road-5, Block-A,
Nobodoy Housing Society,Adabor,
Mohammadpur, Dhaka-1207

ADDITIONAL PROJECT
